Japan Blue Energy Co., Ltd. is now a proud partner of WIPO GREEN

On April 23, 2022, Japan Blue Energy Co., Ltd. (JBEC) joined WIPO GREEN as a partner. WIPO GREEN is an international platform for exchanging environment-friendly technologies. It is operated by the World Intellectual Property Organization (WIPO), one of United Nation's specialized agencies. With the aim of supporting efforts to solve environmental issues and contributing to a more sustainable society, JBEC will share its technical know-how via the WIPO GREEN database and support transfer and dissemination of green technologies in cooperation with WIPO and other WIPO GREEN partners.

Learn more about JBEC's technology and its intellectual property (IP) strategy from the article published in WIPO IP Advantage:
